

Minutes of Meeting

Project: Watch Website

Date: 13 July 2026

Attendees: Jithesh, Bijo, Roopjith, Sameer, Sneha, Aju, Reno

1. Homepage

- Banner: change homepage images; correct/replace "904L" and "DXB" text references
- Remove current content below the banner; rebuild the homepage flow in the following order:
 - 1 New Arrivals
 - 2 USPs strip – same-day free delivery, 2-year service warranty, multiple payment options (including COD)
 - 3 Category strip
 - 4 Best selling products
 - 5 Other brands strip
 - 6 Explore More Brands section
- Worldwide shipping to: Dubai, USA, and GCC countries (excluding Oman)
- Display prices in AED and USD
- Add more descriptive content across homepage sections to better communicate value to visitors and support SEO

2. Company / Brand Details

- Remove factory name references
- Update "Swiss clone" company details section
- Change "mirror copy" terminology to "master copy" throughout

3. Product Pages

- Product tags: hidden/SEO-only tags are not showing correctly – use visible tags labeled with the watch model name instead
- Add 2-year service warranty information at the top of the specs section on each product page
- Product description fields, in order: brand, model, reference, material, size, movement, caliber
- Keep product image backgrounds consistent (white or black) across all listings

4. Multilanguage

- Add Arabic and English language support

5. SEO – Keywords & Strategy

- Priority keywords: superclone watches, superclone watches in Dubai, superclone watches Dubai, replica watches in Dubai, Dubai replica watches

- Additional keyword themes: copy watches, premium copy watches, replica watches, clone, master copy
- SEO keyword strategy should be tailored separately for each language (Arabic, English, etc.)

6. Categories & Navigation

- Use "Mens" and "Womens" instead of "gents" and "ladies"
- Remove "New Arrivals" and "Craftsmanship" as navigation categories
- Category structure: Category = Brands; Sub-category = specific brand (e.g. Rolex), containing its different variants/types
- Brand display order: Richard Mille, Audemars Piguet, Patek Philippe, Rolex, Hublot, Cartier
- Add a "More Brands" grouping after the specifically listed brands
- Add filter functionality

7. Other Pages / Sections

- Fix alignment on Signature Catalogue page
- Update Architecture page content using SEO keywords
- Add suggestions section – by brand, by range
- Testimonials – add images and reviews
- Build blog page in WordPress
- Sales rep section – highlight/feature good reviews

8. Competitor Reference

- Dubaiwatchstore
- mastercopywatches.com

9. Technical / Hosting Requirements

- Use a good-quality server, optimized for speed
- Maintain daily backups of the server

10. Scope

- Two websites to be created; the second site to be a design-adjusted clone of the primary site, used specifically for Google Ads / digital marketing

11. Action Items

- Confirm product specs with Sameer for each listing, since specs vary by product

12. Additional Confirmed Points

- USP: same-day free delivery
- Use a good-quality server, optimised for speed
- On each watch page, add the 2-year service warranty (top of specs section)
- Keep daily backups for the server
- Build the blog page in WordPress
- Keep watch image backgrounds white/black, consistent across all listings
- Run two parallel sites, with one used specifically for Google Ads

- Brand order: Richard Mille, Audemars Piguet, Patek Philippe, Rolex, Hublot, Cartier
- Ask Sameer sir during product listing, since each product's specs differ; add warranty in specs (top of specs section) - 2-year service warranty
